

# Reasons Why Companies **OUTSOURCE**

Outsourcing is the process of delegating a company's process to third parties or external agencies, leveraging benefits such as low labor cost, improved quality to product and service innovation.

Here are some reasons why companies outsource certain business functions:

- #1 Reduce and control operating cost
- #2 Focus on core business processes
- #3 Gain access to world-class capabilities
- #4 Free internal resources for other purposes
- #5 Streamline time-consuming functions
- #6 Maximize restructuring benefits
- #7 Mitigate risk and realize benefits of re-engineering
- #8 Make capital funds available
- #9 Expand and gain access to new market areas
